

Technical Data Sheet

POWR-CLEAN FC

Concentrated Floor Cleaner

POWR CLEAN FC is a non-flammable liquid detergent concentrate designed to be diluted with water for general maintenance cleaning.

POWR CLEAN FC is recommended for use in mechanical floor scrubbing, hand wipe, spray, steam gun, and pressure washer applications at recommended concentrations. It is safe for use on all metals, concrete, paint, plastic substrates and rubber seals.

POWR CLEAN FC is highly recommended for use as a floor cleaner in mechanical floor scrubbing equipment due to its fast drying and low foaming characteristics.

TYPICAL PROPERTIES

Description	Light Red Liquid with a mild odor
pH (2% solution).....	10.8 – 11.8
Specific Gravity	1.06
Flash Point	None

RECOMMENDED APPLICATIONS/USAGE RATE

POWR CLEAN FC is used in mechanical floor scrubbers or mop at a level of 2% to 5%.

POWR CLEAN FC can be used in pressure washer applications and steam guns at a level of 0.5% to 3%

AVAILABILITY

POWR CLEAN FC is available in 5-gallon pails, 55-gallon drums, and 330-gallon totes. All sales F.O.B. Cincinnati, OH.
